World's first detergent-action gasoline

CHEVRON SUPREME GASOLINE

Yours in both

An entirely new kind of motor fuel that ends forever the biggest single cause of engine trouble! Detergent-action Chevron gasolines actually clean the carburetor in every gasoline engine you have, and keep it clean! Until now, carburetors had to be cleaned or adjusted every few thousand miles, because tiny bits of soot and gum in the air entering the carburetor built up deposits that caused rough idling, gas waste, and stalling at stop lights. Now, detergent-action cleans out these deposits while your engine is running, and prevents new deposits! Try detergent-action Chevron Supreme or Chevron gasoline.
