Time to
Turn Over
a New Leaf....

with a new
automatic electric dryer!

Here it is: a brand new year, full of promise... all yours to enjoy! But enjoyment of living takes time from a busy homemaker's schedule, and, after all, there are still only 24 hours in a day.

All right, let's eliminate a large-sized order of drudgery from your life: no more trudging out into the cold to hang up a big family wash; no more steaming up the house drying clothes on inside lines. No more waiting for a "good" drying day; no more soot-laden clothes. No more sprinkling clothes for ironing... and ironing time cut to about half! Oh, what a wonderful difference a new automatic electric clothes dryer can make!

So turn over the new leaf today... and see your electrical appliance dealer!
