Happy Sewers Have Mothers' Program

Newell Heights — The Happy Sewers, first year 4-H sewing club and their leader, Mrs. Charles

Newbill held a Mother's tea and exhibited their work at the Arrian grade school last Wednesday.

The girls, nine and 10 years of age, presented the program and

demonstrated how to cut thread, thread a needle, straighten material and place a pattern. Cookies and punch were served by the girls.

See the McCormick 20-C Field Harvester

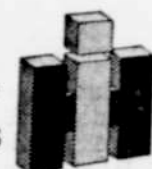

You'll chop MORE tonnage with less power. We'll show you why you can harvest your forage crops at up to 25 tons per hour with the McCormick 20-C. See the large flywheel type cutter head that gives a steady cutting action through the heaviest crops on a minimum of power. We'll show you features that harvest the heaviest crops without plugging or slowing down. We'll also show you how you can switch from row crop to hay pick-up harvesting in minutes.
