OPEN FROM MORN TO MIDNIGHT

Nyssa, You're Great People!

You have been such wonderful hosts that we return to our homes truly grateful for the warmth of your welcome and the great cooperation you gave our 10th Annual Spring Jersey Show on the Grade School grounds last Saturday.

None of us are strangers to you, but those of us who live and graze our herds out in the county feel that a still-stronger bond has been welded between us during this 10th yearly showing of our Jerseys.

Never before, to our knowledge, has a city gone so all - out in backing the mission which is so near and dear to our own hearts — improvement of the Malheur County Jersey strain to the extent that it will become the focal point for all cattlemen's eyes, all over the world.

We want to call attention particularly to the alert vigor with which the merchants and business men of the county stood staunchly behind us. Their many messages of congratulation, their financial support in the contribution of prizes and other awards have shown us that the county can well be proud of the civic interest each and every one of them displays.

In return, we pledge ourselves to contribute to the economic welfare of this area by devoting our every effort to the continued growth of Melheur's great Dairy Industry.

And to all of you, from the youngsters of the 4-H and F.F.A. to the far-sighted leaders of your fine trading centers, and to all the families among you, we want to say:

THANK YOU**Malheur County Jersey Cattle Club**
