Easy Fruit Salad Platter

A practical way to highlight salad platters is with a bowl of mayonnaise which also serves as the dressing for the salad. For a salad tray that can be arranged quickly, use an assortment of your favorite canned fruits, garnishing with nuts and fresh berries for that luxurious look. Fruits should be drained well before they are arranged on a bed of lettuce.

The salad platter makes salad preparation easier for you, and family and guests can compose a salad of the fruits that please them most.

Lettuce
Canned pineapple rings
Walnut halves
Canned apricot halves
Canned peach halves
Whole fresh unstemmed strawberries

Place a bowl of mayonnaise in the center of a large lettuce-lined salad plate. Arrange pineapple rings topped with walnuts, apricot halves, peach halves and peach halves, in groups, around the bowl. Garnish with strawberries.
