## An Open Letter to Fathers

Dear Dad:

I see where the ladies of the Cowbells have decided that BEEF is going to be the standard menu for dinner on your day, Father's Day, this Sunday.

That's a good idea . . . a good idea, this is, if they know where to get the beef.

Sunday is your own day. You've got a right to do a bit of BEEFING yourself if the BEEF they serve you doesn't come from Fischer's Lockers.

You and I know that the best BEEF in Malheur county is found at Fischer's. A quarter or a half of the rare and tasty, expertly butchered into choice cuts, and packaged ripe and ready for your freezer.

Let's stand together, men. Let's have beef and plenty of it, not only on Father's Day, but through the year as well. And of course, there's no better beef than Fischer's.

(Signed) JAKE
