\*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Price may vary slightly in adjoining communities. Even the factory-installed extras you may want are here, such as Heater & Defroster—\$51.70; Radio & Antenna—\$92.50.

THIS is a Buick — a 2-door, 6-passenger SPECIAL Sedan.

It packs a wallowing 188-hp V8 engine under the hood—is carried on a strapping 122-inch wheelbase—rides with the luxury cushioning of all-coil springing, the solid steadiness of a full-length torque-tube drive, the extra safety and silence of tubeless tires.

It's big and brawny and road-steady and roomy—each seat cushion measures over five feet in width.

Yet this beauty—as the price we show here proves—delivers locally for just about the price of the well-known smaller cars—even below some models of those same cars.

**Buick Sales Are Soaring To New Best-Seller Highs**

That, for sure, is one reason why Buick sales go higher and higher and higher. More and more people are finding that you can buy a

Buick for the price of a smaller car, so more and more people are getting this bigger buy for their money.

They want the bigger package of sheer automobile for the money that they get in Buick—bigger in power thrill, in roomy comfort, in riding steadiness, in structural solidity.

They want the added prestige and pleasure of owning Buick styling and size—and the added safety and sureness of Buick roadability and handling ease.

They want, too, the spectacular performance and better gas mileage of Variable Pitch Dynaflo<sup>†</sup>—yours at modest extra cost.

And they certainly want the choice Buick offers of a car in every price range, with each one the buy in its field—the low-price SPECIAL, the supremely-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

Why don't you come in for a visit and see how much real automobile your money can buy here?

<sup>†</sup>Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.
