Mr. Farmer: A Carload of Profit For You!

There isn't a grain grower in Oregon who wouldn't benefit by this unusual opportunity to own, at low cost

The Finest Grain Bin Ever Made

TOBLER'S FEED AND GRAIN has just made carload purchases of the famous, lifelong SIOUX and COLUMBIA steel grain bins in sizes ranging from 500 bushels to 3300 bushels. Sturdy as the Rock of Gibraltar, these bins have a six-ply rib every 22 1/2 inches of height. They have new high and wide double doors, bird-proof ventilation and water-tight roof. They are rodent proof, fire proof and sweat proof when filled. By quantity buying, TOBLER'S earned a substantial price discount. And now

We Pass Our Savings on to You

You will find no comparable grain bin at our prices, anywhere in the county. But, Mr. Farmer, price alone is not the complete factor in making an investment in this lifetime improvement to your farm. You must check these four points:

1. The bin must be good quality and meet all government requirements.
2. It must assemble correctly and easily.
3. It must be a respected brand name known to the farmer.
4. It must be priced right.

Our Bins Check on 4 Cardinal Points

Now, Mr. Farmer, we don't want you to be hasty about so important a matter as the buying of a bin that is going to pay for itself in grain storage. We want you to be ABSOLUTELY CONVINCED that the bin we are offering you is the chance of a lifetime. And don't forget . . . these bins are

EASY ON YOUR POCKETBOOK

Yes, these bins are very easy on your pocketbook, indeed. But still, you want to know how you are going to pay for it. Come in, and let us lay before you a sound financing plan that will pay its own way. You'll be happily surprised!
