

### Garden Club Meet Attended By 3 Nyssa Delegates

Among the more than 500 delegates to the 28th annual state convention of the Federation of Garden Clubs held in Portland last week were Mrs. George Schweizer, Mrs. Morris Judd, and Mrs. Dale Ashcraft. The three women left Ontario by streamliner the evening of June 12th for the Reed college campus where the convention was held. One of the highlights of the largest convention the federation has ever held was the flower show presented the first evening by the flower judges. The usual procedure was further reversed when the flowers were judged by the balloting of the audience. A horticulture panel, consisting of Dr. Irwin Lange, E. W. Ek, Owen Hale, and Earnest Fischer, all noted men in the field of horticulture, was also of great interest to the delegates.

The delegates were guests at a tea given by the Portland Garden Club in their beautiful new clubhouse. They were also taken on a bus tour of the rose and rhododendron gardens in the Portland area.

The convention was climaxed Wednesday evening with a banquet in the Crystal Ballroom of the Multnomah Hotel. The banquet tables were beautifully decorated with roses, and each delegate received a rose corsage. The Owyhee Garden club was one of the nine new garden clubs admitted to the federation at the banquet.

Other business at the banquet included the presentation of two special awards for outstanding achievement in the fields of gardening. Mrs. Schweizer was installed as one of the seven district directors during the installation ceremonies.
