We Hope the Money Talks

We hope we won't have to keep alibing for the lack of 4-H and other such news that fails to reach this area. The county agent's office will have \$3900 more of county funds after July 1 and \$400 is for additional clerical assistance.

Of course, the travel fund has been upped another \$750, but the traveling doesn't seem to be toward the Nyssa area.

Response to innumerable pleas to the county agent's office for news has been sudden, but duration of news releases has been extremely brief.

We hope the additional funds help.
