**WHAT happens when a business has a really great
year? A bonus is declared—right?**

Well, sir—get set for a windfall, because this is more
than Buick's greatest year. This is the greatest.

Not only is Buick outselling every car in America
except the two most widely known smaller cars—but
Buick is breaking every sales record in its history.
Right now we're past the mark set in our best full
year—and we're still going great guns.

So we're slicing a melon with you in the form of an
all-out trade-in allowance—a profit-sharing bonus
deal that beats even the big trades we've been giving
all year. After all, we've gone way beyond our
expected volume—and can now afford to stretch our
trade-in allowances to practically our break-even
point.

And that puts you more easily than ever before in the
driver's seat of the hottest-selling Buick in history...
