Christian Church Notes

Our minister, Earl Hastings, will speak on "God's Eternal Plan" Sunday morning at the 10:00 o'clock worship service. Even though Mr. Hastings has been with us a short time, it is apparent that much prayer, thought, and study, go into the sermons he brings to us. We will gain in truth and knowledge by learning them. Read Deuteronomy 4:10 then come and worship with us.

Mr. and Mrs. Earl Hastings and Dan Pennie went to Cove Sunday afternoon to help with the work that was needed to put the camp in order for winter.

The Ontario CYF will be hosts to our CYF this coming Sunday evening. Our young people will

meet at the church at 5 o'clock when transportation will be provided

Remember the NCC quartet will be at the church Friday evening, Sept. 9, at 8 o'clock. We will be hosts to the Christian churches of the valley and to our friends and neighbors of our own community.

Choir practice was resumed this week and will continue every Wednesday evening at 8 o'clock. If you enjoy singing, and good fellowship, we invite you to join our choir.

Let's start the season right by being on time—not just for our church worship and activities, but whatever we take part in. When we keep others waiting and are careless with their time—we certainly aren't displaying a Christian attribute. Let us all make an effort to be punctual.

THE GEMCO

TWO ROW BEET HARVESTER

GENERAL MACHINE Co.

Another firm is attempting to sell its harvesters by taking advantage of the outward appearance and even the orange color of the GEMCO.

As a result, General Machine Co. has caused an injunction to be issued by an Idaho court directing a Boise firm to desist from:

1. Using the name "GEMCO" in any manner whatsoever in identifying its products.
2. Selling beet harvesters resembling the

design and trade dress of those made by General Machine Co. without distinguishing marks indicating their origin.

3. Doing any other act which would infer that their products are those made by General Machine Co. or that they are similar to those made by General Machine Co. in any way.

In spite of this order, we have reason to believe that the spirit and intent of the court in issuing this injunction is being violated!
