THANKS, FOLKS!

For the past 17½ years we have had the privilege of serving the people of the Nyssa trading area in our retail building materials yard, the Stunz Lumber Co. of Nyssa, Oregon.

For various personal reasons, we decided to discontinue our business here at Nyssa and we have sold to the Boise Payette Lumber Co.

In buying, the Boise Payette Lumber Co. has assured us that our employees will be retained. Also the Boise Payette Lumber Co. will be pleased to furnish the materials necessary to complete any estimates we have made, at the prices that we have quoted. We wish them success in their expanded operation and we hope all our old customers will continue to do business with them.

We wish to thank our many customers for their years of patronage. Without your support our growth throughout the years would have been impossible. The heart of our business has been our employees, and we especially wish to thank them for being cooperative and loyal to us. Our employees were Glen Weeks and Sam Parks who have been with us since 1947, Clyde Wellner since 1948, Gus Liming since 1951, Dirk Rinehart and Glade Chadwick since 1954, and Rev. Bill Turner since early this year.

Although our future plans are rather indefinite we hope to remain a part of this community and we are looking forward to talking to everyone, even though we won't have anything to sell.

The Stunz Family

TO OUR MANY FRIENDS AND CUSTOMERS:

Boise Payette is pleased to announce the purchase of Stunz Lumber Company of Nyssa, as part of the continuing effort in improving service to builders in the community. Longstanding friends and customers of Boise Payette may feel assured that the same top quality merchandise and attentive service will, as always, be the watchword at the new location.

Customers of the Stunz Lumber Company are invited to continue their patronage with the assurance that our aim is still to serve you. E. A. "Gus" Liming and other employees of the former Stunz Yard will be around to help with your building problems, large or small.

COAL? CERTAINLY! Boise Payette's heating service will go on uninterrupted. Prompt delivery is just as close as your telephone.

CAR-TUNES

"That'll Be Two Dollars For The Gas And One Dollar Fifty For The Tailor"

Nothing on this order ever happened here. Seems as if pets like us almost as much as people do. Must be our friendly, cooperative manner. Maybe it's because we like pets . . . and people. We'd like to see you . . . soon!
