CARS ARE MY LINE

by: Boyd Wilson

There have really been some fantastic deals cooked up lately to sell cars.

Just imagine: Cars for \$1.25 a week, then reduced to 95 cents a week!

This is what happened, I'm told, in Jacksonville, Fla., when some of the sharper operators got in a free-for-all (or almost free) mood.

One firm offered cars for sale, with good trade-ins, at \$1.25 a week. Then another outfit beat him out by offering cars for 95 cents a week.

It sounded fine, until you read the fine print. Then you saw that after 12 months of these next-to-nothing payments the entire balance came due. That had to be paid off in another 12 months.

The customer still had to pay for the car and that, although it sounds a little trite, is still true. They still had to pay for it some way.

Of anyone around here, I think we've been the leaders in making the ownership of a car a realizable goal for the largest number of people. But when you start to fool the people you're doing no one any good.

You do a real service, I think, when you offer the lowest REAL prices on cars, with financing terms to make it a sensible pay-as-you-go proposition.

Our boys often shop around themselves and we know that our customers, when they add up all that they have paid for their car, get the best bargains.

The old saying still goes: If you don't know your used cars, then know your dealer. We believe we have one of the finest selections of used cars in the valley and I assure you we have one of the best guarantees. This week we are offering as specials—

- Two 1952 Ford Sedans. Both have overdrive. Very sharp cars.
- Two 1951 Chevrolets. Locally owned. Clean inside and out.
- 1951 Buick Super Hardtop. Completely reconditioned. A lot of trouble-free miles here.
- 1949 Plymouth 4-Door Sedan.
- 1949 Buick 2-Door Sedan.

It looks high priced

...but it's the '56 Chevrolet!

THE NEW BEL AIR SPORT COUPE

Who wouldn't mistake this new Chevrolet for a high-priced car! It looks strictly "upper bracket" with its bold new Motoramic styling... its longer, lower hood... its proud new full-width grille. But, even beyond the costly appearance of its beautiful Body by Fisher, Chevy gives the high-priced cars a run for their money. It brings

you lightning acceleration for safer passing. Horsepower ranges up to 205! All engines now have hydraulic-hushed valve lifters. Besides, you get safety door latches in all models. You can also have seat belts, with or without shoulder harness, and instrument panel padding at extra cost. Come highway-test a Chevrolet!
