FOUR-SEASON HAPPINESS

The basis of Oriental phylosophy is Balance Completeness—Beginning and End—Birth and Eternity—Male and Female—Brightness and Darkness—Bad and Good, etc. Therefore, in decorative art there is also the objective of Balance Completeness in order to have Harmony. Where there is Harmony, there is Peace and Happiness.

This set of hand-wrought Iron Pictures is an answer to this human urge. The Plum represents Spring, Lotus—Summer, Chrysanthemum—Autumn, and Bamboo—Winter.

When you display these pictures, so artistically made and interestingly conceived, may you have happiness and peace always.
