

De Aca Y De Alla

Por el Rev. Frank F. Reyes

Por tercera vez aparece la columna en Espanol en este noticiero del Idioma de Webster. Lo que lamenta el escritor de esta: es que hasta hora nadie de los nuestros se ha preocupado por darle noticias de ninguna indole. Es de lamentarse sobremanera: el que no se aprovechen las oportunidades y especialmente como la presente. Sea de la forma que sea...

Los residentes del campo no han dejado de sentir la ausencia de los mejores atletas en las actividades deportivas: Beto Rodriguez, Carlos hermano deseste, "Bolo Cifuentes y muchos otros que no podemos hacer mención por la brevedad del tiempo. Se espera que pronto regresen todos estos sujetos dignos de aprecio, respeto y admiración: seran bienvenidos.

La semana pasada se fue de paseo para Portland, el Sr. Luis Vendrell, y por ello lo felicitamos. La ausencia de El se sintio bastante, en vista de que es una persona muy fiel al puesto que desempeña. Esperamos que haya pasado un buen tiempo Don Luis, y que regrese muy pronto, feliz y contento. No cabe ninaguna duda que nos hace bastante falta Luisito.

En el campo de Caldwell: tambien se tendran actividades, escuelas de vacaciones de verano, la Srita. Betty Blanchard con Nellie Baiderram, estan al frente de estos trabajos. El Lunes 22 de este mes dieron principio los trabajos aludidos en aquel campo adonde hay una buena poblacion de ahbitantes de los nuestros. En lo que respecta a Nellie: ella solo ha sido prestada por unos dias para que la ayude a Betty, pero pronto la tendremos con nosotros aqui en el campo a donde pertenence, ella es bien conocida de todos y muy apreciada.

Algunos establecimientos comerciales de nuestra comunidad: tiendas de abarrotas asi como de ropa: estan anunciando especiales y a la vez han ofrecido cupones por el valor de \$1.00 en mercancías por cada \$10.00 Dollars de consumo que ustedes hagan; aprovechen estas oportunidades y patrocinen aquellos establecimientos que tratan de ayudarles, mostrando su gratitud y aprecio. No se les olvide guardar todos sus recibos y mostrarlos a su tiempo.

En lo que respecta a las bebidas embriagantes: estas son graves por muchas razones que los hombres que las apetezen no lo pueden comprender. Pues, entre otras cosas: se gastan los recursos y asi cuando se presentan necesidades apremiantes no hay los recursos o fondos economicamente hablando. A veces se acaba el trabajo, no hay para alimentos de los niños, les faltan salsado, ropa o muchas otras cosas con que hacerlos felices, pero es que los padres ya lo gastaron en la bebida. Tambien, con el tiempo; los afectos a la embriaguez: se van minando su salud y asi las energías se les agotan con las ruidas, la vejacion los visita mas prematuramente. La condicion moral de dichos individuos tambien es averiada en sumo grado. Debido a ello: muchos hombres pierden la verguenza, la delicadeza y todo vestigio de pudor. Viven vidas desenfundadas, miserables y tristes. Pero, lo mas grave del caso, es: que son responsables ante la Presencia Divina: A DIOS a quien todas tenemos que dar cuentas en "EL GRAN DIA" alli apareceremos ante su magna presencia y los que hayan hecho un desperdicio de sus vidas: recibirán la sentencia fatal de la condenacion eterna. Esto, muy poco estan dispuestos a aceptarlo, pero es eminente y tendra que suceder. Querido lector: procura vivir una vida digna de aprecio y respeto.

Hogar de placentes: es el de los Sres. Rosalio Rivera y su esposa Aurora: a quienes les nacio el dia 15 de los corrientes una ninita a quien le nombraron: Horalia, que el Cielo bendiga en forma abundante este hogar y prolongue la vida de la nueva ruesped. Tambien llevo noticia a esta redaccion, de: que en el hogar de Prudencio y Susan Escobedo, se celebro el bautismo de su hijo Jose Luis Escobedo. Los padrinos al respecto son: os Sres. Juan Buena y esposa Matilde de Buena. No se sabe si estos bolo, "BOLO" que se acostumbra por los nuestros. Si no dieron bolo, ya pueden esperar las consecuencias en el ahijado: pues saldra PE-Nosa cosa es decirlo. Esto es broma por su puesto, 'Eh! Esta clase de noticias esperamos que nos den para ponerlas a publicidad y asi esten al tanto de los eventos aqui los nuestros, asi como de otros lugares, y tengan presente: que todo se ofrece gratis, no tienen que pagar, no tiene que soltar nicles, no se cobra. Favor de que acepten las oportunidades cuando estas se les presentan, cree que sacaran muy buen partido de ello. Es muy sabroso: saber chismes, cuentos y chirinolas.

Atencion, Atencion, Atencion: Subasta publica, gangas, baratio; de muchos articulos que estaran de venta en el local adonde antes estaba la tienda Franklin o sea en seguida la panaderia "Dee-Lite-Bakery" tomen nota de este anuncio importante, les conviene y les saldra bastante barato. Aprovechen las ofertas que alli se les proporcionara el Viernes, Viernes y Sabado de esta semana. No se les olviden las fechas: 23 y 24 del mes en curso.

Estamos bastante agradecidos con muchos de vuestros niños del campo: puestos se han mostrado bastante interesados en los programas de las escuelas de vacaciones de Verano. La semana pasada por la mañana se vio un cuadro curioso, bonito y bastante interesante: habia algunos niños esperando a la entrada para el patio; la mañana estaba amenazando lluvia, pero los niños les intereso la cuestion del tiempo y asi estaba Ernesto Garza con su para-aguas (sombrella) demasiado celebre se via este niño juntamente con sus companeros bajo la pequena sombrilla: esperando a los directores de las actividades en el campo. Sera muy bonito: queocean el ejemplo asentado por estos niños: muchos otros, que no hacen mas que travesuras; por su puesto que no nos referimos a los de aqui, ¡No!

El inspector de Sanidad y Salubridad Publica por el Condado; ha pedido: que cooperen todos los residentes del campo para ver por que el campo se vea bastante asiado: que los niños no desperdicien tanto papel en los escusados como lo han estado haciendo. Tambien que se procure mantener los patios del campo lo mas limpio posible: Que cooperen un ciento por ciento con los guardianes de aseo y limpieza: Sres. Thomas, y Medina. GRACIAS! A partir del Miercoles 20 del mes actual: habra dos Sritas, mas quienes asistan en los programas de escuelas de vacaciones. Se espera que todos los padres y madres de familia manden sus hijos e hijas a que atiendan estas actividades. Muy pronto con la ayuda de nuestro Dios: tendremos peliculas que exhibirles, estas seran de distintas clases; religiosas asi
