

De Aca Y De Alla

Entre las noticias sobre-salientes esta para ocasion: cabe plausible hacer mención: el arribo de muchas familias bien conocidas; procedentes de Montana. Respecto a esta noticia, hay mucha alegría, gozo y contentamiento. Pues, entre los recién llegados: vinieron familiares de los de aquí, así como: parientes cercanos y distantes, compadritos y comadritas, vecinos, ahijados y demas, pero lo mas romantico de esta ocasion, es: que novias, novios y amigas de intimidad: tambien arribaron; así que, ya nuestros lectores sabrán interpretar la desbordante alegría de muchos pobres novios: como Beto el de Piedras Negras, tambien la familia Arizaga, esta de placeres: por el arribo de los Antu, Don Manuel y familia. Tambien Lazaro Cardenas, con su familia: son de los recién llegados. A proposito de Cardenas: Carlos, como parte en el juego del Sabado pasado en el campo del jaripeo (Rodeo Grounds), y segun informes fidedignos: jugo muy bien el chavalo. Cabe aludir tambien, con relacion a Carlos: que es muy buen pitcher de base ball, Victor con su sequito de atletas, van a procurar utilizar a Don Carlos, todas las veces que El quiera tomar parte en estas actividades.

El 4 de Julio, fue amenizado un baile por el "Profe" y a este fueron invitados solamente pueblo del campo. Respondieron bien los nuestros: hubo orden completo, gusto y buena concurrencia. Por ello, se agradece sobremanera: las cooperacion prestada. Se pide que a medida que haya esta clase de pasa tiempos, se considere el aspecto del ORDEN, que es tan necesario en toda clase de programas de recreacion. Pues, se dan las mas expresivas gracias a todos los circunstantes del baile del 4 de Julio, ¡GRACIAS MIL!

Segun informacion llevada a esta redaccion se nos cuenta: disque en el baile del Sabado pasado, hubo algo de escandalo, pleito, contienda, y menores de edad participando en la bebida alcohólica de la embriaguez. En lo que a estas declaraciones toca: hay buen numero de familias no muy conformes con este desarrollo de

eventos sexijen: que por esta humildes líneas, haga saber: QUE PROTESTAN EN FORMA AMISTOSA: a los responsables, ya sea el director del campo, como a otras personas: Que deben poner fin a este tipo de moviles desagradables y desastrosos. No es por demas, una aclaracion a tiempo: pue el responsable re las columnas en Espanol: escribe lo que le dan como vias de informacion y declara SER: netamente: NUTRAL, en otras palabras: las nuevas son nuevas. Si hay alguna duda, relacionada con la critica que aparece en estas columnas: del escandalo del Sabado pasado por la noche, en el numero de la proxima edicion de este periodico se daran los nombres de familias quienes manifiestan disgusto por tales actos.

Alarmas! Alarmas! alegoricas: pues los de Victor, el Sabado pasado por la noche: combatieron con audacia, destreza y un desatino marcado de heroismo, cuando se enfrentaron con las novenas de Ango-Sajones del L. D. S. First & Second Wards. Estos ultimos les sonaron a los de Trevino: en el primer juego 4 por 3, y segun tenemos entendido: los chicanos hubieran ganado, pero hubo algunos errores que interrumpieron en dicho triunfo. Esto no fue asi en el segundo encuentro de la misma noche del Sabado aludido: pues los Trevinistas, les dieron en el COCO a los "Bollitos" 10 carreras de los de Victor, por 7 los de L. D. S. En los encuentros aludidos, jugadores de los nuestros que hicieron notas sobre-salientes, son: Rosendo Madrigal, quien esta dando manifestaciones de un buen deportista de mucha agilidad: muy bien listo el moreno en todos sus movimientos y manobras Otro atleta que esta dando nombradía al grupo de los "VICTORIANOS" es: Pepe de la Cerda El, no obstante su espalda ancha y hombros gruesos: es demasiado rapido y listo para desempeñar bien el puesto que se le asigne.

Your key to Blue Chip value

Now-GMC gives you

a bonus of up to 3 gallons in every tankful!

TALK about low-cost GMC ownership! With its new high-ratio cruising axle, a Blue Chip GMC pickup now gives you up to 17.8% better gas mileage. That's 3 gallons' worth of bonus miles in every filling!

And you get far better road speeds, too, from an easy-stroking, unstrained engine. In short, from a mere \$10.50 axle option, GMC now gives you the advantages of a \$125 overdrive.

Add this to the super-efficiency of a GMC

180 hp V8 engine—to the moneysaving advantages of Hydra-Matic Drive®—and this fact is clear:

The operation and maintenance savings of Blue Chip features can bring the over-all cost of a half-ton GMC down to the level of—or below—the cheapest stripped-model truck on the market.

Come in today—for the rest of the story.

*Optional at moderate extra cost

From where I sit... by Joe Marsh

"Keep The Change"

If you've seen "Mac" Johnson this week, chances are he's told you his waitress story. For those who haven't heard:

"Mac" recently stopped at an out-of-town diner. He ordered the chef's special—and his waitress (brand new on the job) made every possible mistake. She confused the order, spilled the soup, dropped the rolls, brought him a wrong dessert.

Despite it all, "Mac" left a substantial tip. But she smiled and handed the money back. "Keep it, Mister—you've sure earned

it more than I have," she said.

From where I sit, that girl deserves credit for admitting her shortcomings—something not everyone is big enough to do. For instance, I'm convinced lots of folks know they're wrong when they deny me the right to a glass of beer with my supper... just because they happen to prefer some other beverage. They wouldn't like me ordering them to accept my choice.

Joe Marsh
