McKAY DECEIT CAMPAIGN Aimed At Sugar Beet Growers!

McKay would have you believe Senator Morse let beet growers down when he missed a vote on the 1951 bill to extend the Sugar Act.

WHAT McKAY DOESN'T WANT YOU TO KNOW is that:

- Wayne Morse was in a hospital recovering from an injury on the day the vote was taken.
- Wayne Morse was cosponsor of the 1951 Sugar Act.
- Wayne Morse worked so effectively for this important bill that it passed by the overwhelming vote of 72 to 4.
- Only his injury prevented Wayne Morse from sharing the moment of victory that culminated his work.

McKAY HAS COMMITTED A FOUL IN HIS DESPERATE BID FOR POLITICAL OFFICE

By stooping to these tactics, McKay has made mockery of his campaign claim to INTEGRITY.

But Wayne Morse doesn't work that way . . . He works hard and effectively in the Senate . . . He works for legislation important to YOU.

Remember that Wayne Morse cosponsored the 1956 Sugar Act that increased quotas for Oregon sugar beet farmers.

LET'S KEEP OUR WORKING SENATOR ON THE JOB

RE-ELECT U. S. SENATOR
WAYNE MORSE — DEMOCRAT

Lawren King, Chairman, Louis Pratt, Secretary, Sugar Beet Growers For Wayne Morse Committee.
