Madisonville, Ky.
Oct. 15, 1956

To the Editor,

Dear Sir,
We have been traveling in the past year through a good many parts of this country. This being election year and my interest in politics being what it is the talk always seems to get around to political opinions and issues. The remark most often addressed to me has been, "Oh, you are from Oregon, you have those two good men—Morse and Neuberger!" I think it is time your readers knew that there are people in this country who value our Senators.

I'm curious to know how much those Ads. by the Nyssa McKay Committee running in your paper are costing. If it is near what I think it is then things must really be picking up money wise in the town these days. Could it be that "The Republican Headquarters" are practicing the "Old trickle down policy" on this deal?

Yours truly,
Mrs. Earl Larson

CARD OF THANKS

**HOMER
SCHNELL**

All of us know that President Eisenhower, during his administration, has worked very hard to place disabled persons in jobs where they assist themselves and will be of benefit to this country.

All of us agree with this policy set down by the President and therefore we are suggesting to all voters in Malheur County, regardless of party, vote for Homer Schnell for Clerk of Malheur County.

Homer Schnell recently was involved in an accident which resulted in the loss of his right leg. He is disabled, but not in a way that would effect his work in this office. Since he does possess all the qualifications for the office of County Clerk. We do recommend that all the voters in Malheur County vote for Homer Schnell for County Clerk.
