Waiting For More Statistics

"Fertilizer sales in Oregon through September 30 exceeded all of last year's fertilizer sales by almost 29,000 tons," says J. D. Patterson, chief chemist for the State Department of Agriculture.

We're anxiously awaiting for some new—and no doubt astronomical—figures that will be released covering that period of the recent political campaign.

The actions of certain officials recently regarding local matters brings to mind the type of poetry for which Gertrude Stein became famous.

Stranger In The County

By Bill Campbell

Tuesday noon Thelma and I had a lot of fun watching Ross Brown get his car out of the parking space on Main. He didn't have too much room so first he bumped my car, then backed into Thelma's dad's car and then into mine. I had no objections, however, as I've meant to get that McKay sticker off a long time ago!

Heard a complaint from the many college men who apparently still take the paper for kicks. Seems they are despondent because of my lack of comment about Christmas lights recently. Boys, the lights haven't even glimmered for weeks—the businessmen are saving it—lights, that is!

It's been downright enjoyable this week to have a lot of folks beside me lost in the fog. Have you noticed the bunch of "stoops" who leave their lights on after leaving their cars during the morning fog-bound hours? I have, and took delight in turning off lights, beckoning to folks leaving their autos and in general feeling a sense of superiority. Tuesday morning, about 10:30 a. m. I went in back of the shop to get into my car—which had been there since 8:30 a. m.—

No comment!
Girls! Skip this next paragraph or two as it's for men only.

A lot of you men, like me, are bashful when it comes to picking out certain "personal" items for your loves. You know what I mean—the stuff that holds 'em together, puffs 'em out, or clings just right. Now my idea is to have the local stores get together on a "men's" only shopping night. In order to buy intelligently, we should have models to display the delicate merchandise while we sit back, concerned only in finding the proper flimsy stuff for the woman who nailed us.

I'll be happy to suggest the proper models for such an event—all over 21 but none over 25, for boys, we'd all like to remember the "good old days." If an article doesn't fit the wife she can always exchange it—and think of the stimulant to the local lingerie market! Who would go to Ontario then?

OK, girls, resume reading!
I'm not quite sure how the conversation went, but it was something like this. No wait a minute, I've got to set the scene. 'Twas church, last Sunday, Mrs. John Lawrence was present in the front pew (I still LOVE that word) and Rev. John Briehl was the pastor. Following the service Mrs. Lawrence, who isn't too tall talked to the Reverend.

Quoth John, "Did you get a crink in your neck?"
Answered Mrs. Lawrence, "You tower too high toward heaven." John, that's kinda sweet!

Ever had buffalo steak? Neither have I, but I'm about to come December 1 when the Legion

Adrian Presbyterian Church Notes

At the regular meeting of the Bible clubs, which meet each Monday afternoon after school, the teachers and pupils will start practice for the Christmas program. The program will be presented Wednesday night, Dec. 19.

The 20-40 club will meet with Mr. and Mrs. Jake Borge Friday evening, Dec. 7, at 7:30 for a potluck dinner.

The annual God's Acre sale will be held Saturday, Dec. 8.

puts out the table cloth for same at the new cafeteria. People who know say that this meat is exceptionally good and in demand at the plush New York eateries.

In-as-much as buffalo is a long way from competing with Oregon beef as far as the market is concerned, why don't we all get over there Saturday night and further deplete the potential sales.

And no \$5 tips for hatcheck girls!

If they keep calling up reserve officers I'm going to move my desk down in the basement.

Take special note of the hospital grocery ad on page three of this issue. You can help out a lot by ordering a few cans of your choice at the store of your choice and let them see to the delivery. And you farmers: the hospital is in need of onions and spuds. How about a sack or two if you've got some stashed away? A present without a pat on the back is quite a GIFT!

But don't YOU move out of Nyssa until you TRY LOCAL STORES FIRST! If they don't have what you want, don't pull this "I'll be back later" routine. Tell the merchant! If he's on his toes he won't be a bit adverse to stocking the type of merchandise you want. Course I know some women love to fold the lining of their coats on the bed so the label will show when they go to bridge or dinner parties, but what better label, if the quality is equal, with that showing support of your friends and neighbors?

Gad! I'm so overcome with emotion I've got to quit. Bye now, (sob), Bill.

CARD OF THANKS

We wish to thank members of the Owyhee Ward LDS Church and everyone who sent cards, flowers and donations at the time of death of our daughter and sister, Sherrie Sharp.

Mr. and Mrs. Edward Sharp and family.

CARD OF THANKS

I wish to thank the nurses at the hospital, officers and members of the Rebekah Lodge, Mr. and Mrs. Bridge club, Ladies afternoon pinocle club, and all my neighbors and friends for the flowers and cards which I received during my recent illness.
Mrs. John Barnett.

Owyhee Community Church News

Thought of the week:
You can't change the past, but you can ruin a perfectly good present by worrying over the future.

About 50 young people enjoyed the youth rally held at the church Friday evening. The banner was won by the Park Sunday school for having the largest number in attendance.

The Women's Missionary bazaar will be held in Powell's Service Station Saturday, Dec. 1, from 10 a. m. to 4 p. m.

Comunion will be observed at the church Sunday, Dec. 2.

Next Sunday morning during the Sunday school class time part and pieces for the coming Christmas program will be given out. All pupils are urged to attend.

On Dec. 3, Rev. and Mrs. Dick Stewart will speak at the church of their missionary work in Venezuela, South America. Rev. Stewart is a graduate of the same school as Rev. Kenneth Himple. Colored pictures will be shown at the church that evening.

On Dec. 12, Rev. Marvin McLean, the ASSU missionary for this area will show a film entitled, "Angel of Ebony." This meeting will take the place of the regular bible study and prayer meeting.

Standard's educational program helps provide college training for 286 students this year

Industry needs many trained minds with specialized knowledge. For example, the paleontologist who supplies accurate data for oil exploration by studying fossils of marine life from millions of years ago.

THEY CALL THIS THE ATOMIC AGE... the era of the "thinking" machine. But above all, this is the age of human thought. For today our country needs more and more skilled minds to harness our atoms, advance our culture and guide our government. Standard, too, needs fresh concepts to maintain its position in a highly competitive business. That's why this year Standard's educational program makes available, through colleges, 234 scholarships for undergraduate study, 52 fellowships for graduate work, plus a series of grants to universities.

In these ways, Standard affords young people throughout the country a better opportunity to contribute to their professions and communities.
