A family birthday celebration last Saturday in Yakima was held for Mrs. Lena E. Pounds, longtime resident of Nyssa and Adrian, who observed her 91st birthday at the home of her daughter, Mrs. W. J. Megorden, also a former Nyssa resident.

Mrs. Pounds came to the Snake river valley in 1909 and with her husband, Louis Clark Pounds, settled at Payette where her parents lived. In April of that year they settled in Nyssa where Mr. Pounds was engaged in farming. He built and operated a small grocery and hardware store in Apple Valley before a bridge spanned the Snake river.

After selling their store in 1912, they resumed farming in the Nyssa area and in 1919 they bought a farm near Homedale where they lived until retirement in 1932. Mr. and Mrs. Pounds lived in Caldwell until 1939, then returned to Nyssa and later moved to Adrian.

Mr. and Mrs. Pounds were married Dec. 1, 1883 in Decatur, Neb., where they lived until 1897 when they moved to Carrrington, N. D. by covered wagon. In 1900 they moved farther west

At the present time, she is staying with her daughter in Yakima and expects to be in Nyssa and Adrian again this spring to spend several months with Roy C. Pounds and Glenwood Pounds.

**Of Interest to The Fair Sex**

By IONA FLINDERS

Once more we are in the hustle and bustle of Christmas preparation. It is interesting here at work to note the different reactions to the coming holiday season. Most everyone seems to express the desire for more money to spend, so they might buy just what they'd like for everyone on the list, without having to worry about the cost.

Living expenses are high and it is hard to save Christmas money out of the budget. My better half said to me just the other night, "What do you say we take this money we've been saving toward a new car and blow it on a movie?"

My son asked a young married friend of his if they had a budget and was informed they did. "What do you spend for what?" "Well we allow 30% for rent, 42% for food, 28% for clothes, 10% for gas and amusements, and 7% for miscellaneous." When told that it totaled 117% he replied, "I know it!"

But let's not lose track of the real meaning of Christmas and remember, it's not the cost of the gift, it's the spirit in which it is given. We have many lovely gift items here that are practical and yet not expensive. Gloves from 75c up, panties from 49c, slippers, gowns, blouses and purses from \$1.98. Can cans from \$3.98 and house dresses from \$2.98.

We'll be most happy to help you choose your gift and we'll wrap it, too. And by the way if you want to buy a cute little Mexican Chihuahua dog, let me know or call 2779 after 6. Or if you go in for larger ones. . . . How about a huge Doberman Pincer? Enough barking for now and keep happy by remembering the true meaning of Christmas.
