HOT WATER'S GREAT!

And It Lowers Your Rate!

In the modern household, there's no such thing as too much hot water! The new Quick-Recovery electric water heater guarantees you a constant supply of hot water because the recovery rate is so fast... three times as fast, in fact. What's more, your electric water heater is the key to BEST BARGAIN electricity.

After you've used your first 200 kilowatt-hours, it entitles you to 700 more at less than a penny each. Because your water heater uses only a part of this BEST BARGAIN electricity, you can use the balance for such work-saving, time-saving conveniences as an electric dryer, freezer or dishwasher.

FREE INSPECTION AND ADJUSTMENT

If for any reason your water heater needs attention, call your local Idaho Power office.
