

Bride and Groom Party Held Here

The M-men and Gleaner class of the LDS second ward church held a bride and groom party Wednesday last week, under the direction of Mr. and Mrs. Joel Mitchell, leaders and chairmen.

Mr. and Mrs. C. T. Kesler, Jr. were honored as the youngest married couple. Mrs. Kesler was married in her wedding gown. Bishop and Mrs. D. H. Christensen were the older married couple honored and Mr. Christensen was guest speaker.

A miniature wedding cake centered the refreshment table, and refreshments were served.

A special musical number was presented by engaged couple, Jerry Williams and Cleo Esplin.

MaPas Hold Dinner Meeting Friday

The MaPa group of the Methodist Church met at the church Friday evening with a pot-luck dinner.

During the business meeting a discussion was held on the cedar chest and linen which will be sold for the building fund benefit.

Adrian Presbyterian Church Notes

The Monday afternoon Bible classes for the school children are now meeting again.

Thursday, March 14, Mary and Martha Missionary Society will meet with Mrs. Carl Hill. Mrs. Lydia Worden, assistant hostess.

Church board meeting Thursday Mar. 14 at 8 p. m.

Christian Church Notes

Morning sermon: Father, Forgive them.

Evening sermon: The Exodus.

All youth sponsors are to meet at the Ontario Christian church Sunday afternoon, March 17, at 3 o'clock.

CYF, Chi Rho and JYF meet at the church Sunday at 7:00 p. m.

WCF general meeting at the church March 14, 2:00 p. m.

The Come Double class meets at the Glen Strickland home Friday March 15, 8:00 p. m.

A potluck fellowship dinner was held Friday evening in honor of new members of the church.

Following the dinner a report was given by all officers and teachers. Bobby Pond gave a piano solo and Lucille White played two accordion numbers.

Several members of the church journeyed to Ontario Sunday evening to attend services of the Ontario church. Earl Hastings was guest speaker. His topic was "The Gospel." Following the services a baptismal service was held.

Work has been going toward the construction of a church of office for the minister. All work has been donated by members. Some of the women worked Monday and Tuesday of last week cleaning the upstairs and church grounds.

The JYF group met at the home of Diane Cruson for their monthly after-school meeting. Following the song service and business meeting, a discussion on Christian behavior for their age group was held. Refreshments were served by the hostess.

COMMITTEE MEMBER ATTENDS MEETING

Rev. Paul Ludlow, a member of the Idaho Conference Quadrennial planning committee, attended a meeting in Boise Friday at the Wesley House of the Methodist Church there.

Mr. and Mrs. George Conklin of Caldwell and their houseguest, Mrs. Alma Bish of Oakland, Calif. were Saturday visitors at the Roy Knoedler home.

Owyhee Community Church News

Commit thy works unto—the Lord, and thy thoughts shall be established—Proverbs 16:3.

EVAN TOBLERS RETURN FROM VACATION TRIP

Mr. and Mrs. Evan Tobler returned last week from a vacation trip in Illinois, Kentucky and Indiana. They visited Mr. Tobler's brother, Mr. and Mrs. William Tobler at Peoria, Ill; Mrs. Tobler's three sisters and families in Indiana, a sister, Mr. and Mrs. Charles Hooberry in Nashville, Tenn., and a brother, Mr. and Mrs. J. M. Cunningham at Louisville, Ky.

Mrs. Tobler's mother, Mrs. Hazel Cunningham of Crawfordsville, Ind., returned home with them for a three-month visit.

Mrs. Hilda Tensen is spending six weeks in California where she is visiting her daughters, Mr. and Mrs. William E. Bothanley and Mr. and Mrs. Robert E. Peterson in Woodland Hills. She went to California with Finley Shuster, a former Nyssan, now of Bellflower, who was here on business.

Mrs. Lloyd Bush is staying here with Mr. Bush's parents, Mr. and Mrs. E. E. Bush before joining her husband, Sgt. Bush of Tucson, Ariz. in May.

New Nitrogen Source Available

Valley Wholesale and Warehouse Company, your certified Ortho distributor, is ready to deliver Ortho Aqua Ammonia where you need it, when you need it. This means you now have a dependable source of nitrogen in the new solution form that is both easier to handle and apply and is more effective as a crop builder. This is an excellent source of nitrogen for preplant application.

Aqua Ammonia contains 20.5 units of nitrogen, the cheapest source of nitrogen you can use.

Storage tanks will be located at Nyssa and Willow Creek for the convenience of growers in these areas. All tanks have stamp-type meters so the grower may see the exact amount of galonage he receives. All chance of error is eliminated.

Valley Wholesale will also do soil testing and recommend to you the needs of your ground.

If you're interested contact HOLLINGSWORTHS, Nyssa, Phone 2251. or VALLEY WHOLESALE WAREHOUSE CO., Phone 470-R, in Ontario.—Adv.

Paint Anytime...in Any Weather with Interior FUL-COLOR!

- ✓ No "painty" odor!
- ✓ Paint with windows closed!
- ✓ Dries in an hour, in any weather!

Yes, latex-base Ful-Color makes stormy stay-at-home days a GOOD time to redecorate. It has no "painty" odor and it dries so quickly your room is ready to reoccupy almost immediately after painting. Ful-Color makes painting so easy you can do an entire room in less than a day—with wonderful results!

Exquisite new colors you'll love to live with...satin smooth walls you can wipe clean in seconds with only mild soap and water. Fuller color plans and "how to paint" folders are free. Come in tomorrow!

FUL-COLOR

Is mixed to match your choice of Jewel Case colors. Average room takes less than a day and the cost is under \$10.00.

Harvest more with HEPTACHLOR

KILL ALFALFA WEEVILS NOW!

Stop crop-damaging alfalfa weevils and weevil larvae by spraying your fields with an insecticide containing Heptachlor. Easy-to-use, economical Heptachlor also kills spittlebugs, cutworms, armyworms, grasshoppers, lygus bugs, and others.

MAKE MORE HAY, MORE MILK AND BEEF, MORE MONEY!

By using Heptachlor you can grow more of your own feed, buy less, and feed your cattle better. Alfalfa weevils reduce yields up to 50%, destroying the leafy, high protein parts that contain 70% of alfalfa's food value. Kill forage insects now for higher yields, more nutritious hay, healthier stands.

BE SAFE! BE SURE! HEPTACHLOR PROTECTS

FORAGE CROPS WITHOUT CONTAMINATING MILK!

Tolerance for the use of Heptachlor has been established under the Miller Bill, and USDA and other tests have confirmed the fact that Heptachlor provides effective control of forage insects without contaminating milk. Because Heptachlor is such an effective insecticide, minimum amounts have residual effectiveness, and yet are safe for use on crops fed to cattle.
