Of Interest to The Fair Sex

By IONA FLINDERS

Surprised to see me again? Been hibernating... and this has been the first week that I felt spring was really here. And that reminds me, we have those adorable Peggy Easter bonnets in and are they ever neat. Perky little straws, novelty weaves, gay flowers and ribbon and rhinestone trim. See them now before it too late because at these low prices they are irresistible.

I appreciate the fact that many have inquired why we discontinued this column, but we'll try, at least occasionally to let you in on new and interesting things as they come in (or happen). In the meantime look for the yellow sales tags that are on housedresses, better dresses, short coats, skirts and also a few maternity numbers!

Sub-teens, you'll really be happy when you see our adorable new spring cottons and the neat linen, duster type coats. Make your Easter selection now and lay it away while you have first choice.

Say kids, have you seen the new sport jackets that are all the go in the big schools? Come up and we'll show you how to make one with a sweat shirt and bits of rick-rack and braid. They're really cute.

Who ever it was that said "all that goes up must come down" never wrestled with a stuck zipper, I'll bet. Be seeing you.
