The Rev. Mr. Jones thinks
electric ranges
are grand!

It used to make him nervous — to watch the ladies fidget! He knew they were worrying about their dinners at home in the oven. But now that so many of them have automatic electric ranges, they pay close attention to his sermon — even when it runs overtime. And when he's invited to their homes for dinner — m-m-m... what delicious meals he enjoys!

Why don't you investigate the pleasures and ease of the newest in automatic electric cooking? Your electric appliance dealer has a brilliant array of the finest automatic electric ranges — with such marvelous features as push-button switches, vertical broilers, plug-in griddles, built-in deep fryers, automatically-controlled top burners. See them soon!
