

Nyssa Beetmen Meet Payette Tuesday Night

The Beetmen, Nyssa's entry in the Border league, will make their first local league start of the season Tuesday night when they tangle with the always-tough Payette nine on the high school diamond starting at 8 p.m.

The first league game will be played Friday night, June 7, at Emmett.

This year's league promises to be even rougher than the one in '56 when Nyssa fielded a team which won its way to the playoffs.

Mountain Home Air Base is a new addition and the airmen were a top team last year when they met the Beetmen in non-league tilts.

Boise is reportedly loaded with talent that didn't quite qualify for the Pioneer league.

Hugh Tobler isn't saying much but it's apparent that he has a much stronger club—especially in the pitching department—than the team he fielded last year. The National Guard has corralled Ballard for a couple of weeks but it may be possible that he can get a "furlough" for an evening.

The starting lineup has not yet been decided, but local fans will see a lot of players who were around last year plus some promising new talent.

Band Instruction Offered Nyssans During Summer

Plans were announced Wednesday to conduct summer band instruction classes at Nyssa beginning June 18, provided there are sufficient pupils interested to warrant organizing classes, according to R. V. Wilson, superintendent of schools.

Jack Purcell, who has had charge of the band program at Payette high school the past four years and will be music instructor in the Vale schools beginning this fall, will instruct the classes each Tuesday and Friday for a six weeks' period.

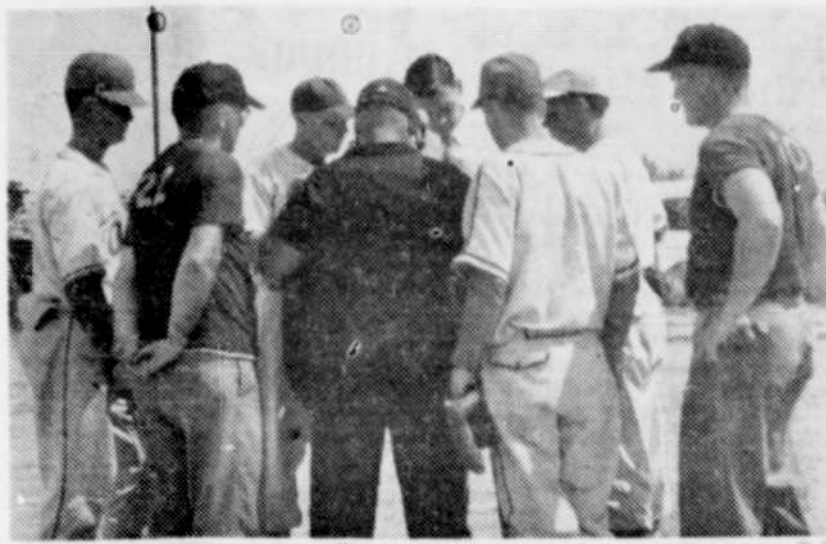

Classes for beginners will be held at 1 p.m. on each of these days and for intermediate students at 2 p.m. in the Nyssa high school band room. A small fee will be charged to cover the cost of instruction.

Anyone wishing more information or interested in registering for the classes may call Mrs. George Sallee at 2029, at the high school.

BIG Boof at Home Plate—Plus Action

PHIL HATCH

Thanks to the five-hit pitching of Phil Hatch, above, the Adrian Antelopes moved into the state class "B" finals which will be played in Portland Saturday. Phil was really rough when the chips were down. He fanned 11 batters during the 7 inning ballgame and was seldom behind the men he faced. The Antelopes made their five hits count, scoring two runs in the third inning and one in the fourth to assure them a shot at the state championship when they meet Gaston, a small community between McMinnville and Forest Grove.

THE TOP PHOTO, taken at the Adrian-Condon game last Friday discloses a chummy conference at home plate. The argument wasn't who was out—but who should be up. A check of the score sheets confirmed what Jim Nally, umpire with back to camera knew all along. The Adrian batting order was correct. Kay Cleverly is shown crossing the plate to score one of Adrian's three runs. The 3-0 win meant a shot at the class "B" championship. The Antelopes will meet Gaston at Multnomah stadium Saturday night at 5 p.m. in the first of three games to determine state champs in class A, A-2 and B divisions.

Stake Ball Teams Have Spirited Play

The Nyssa stake LDS softball teams played two games Tuesday night at the Nyssa rodeo grounds, Maurice Glover, stake sports director announced.

The first game saw Nyssa 2nd ward defeat Ontario 9-7. Batteries for Nyssa were D. Lewis, pitcher and D. Olsen, catcher, and for Ontario, Little and Maylin.

Owyhee ward subdued Parma by a score of 21 to 13 in the second game. Draper and Ashby were batteries for Owyhee and Durant and Trost for Parma.
