We'll See You Saturday

It goes without saying that everyone within driving
or flying distance of Nyssa is invited to the fifth annual
Harvest Festival Saturday.

Almost every person connected with business in Nyssa
has been involved one way or another in planning this
year's celebration. They've worked hard, given time
from their work and their homes, donated funds and
spent their own money—all with the hope and expectation
that their guests will enjoy themselves.

No one is complaining about the time and money
spent—in fact everybody is enjoying himself with the
sincere hope you will enjoy yourself Saturday.

For variety's sake, Nyssa tries to have something different
each year. The first Festival was a barbecue, the
next two brought nationally known entertainers and this
year there's another big feed combined with guest-participation
entertainment, free prizes and the best chance
in the world to become better acquainted with your next-door
neighbor.

It's free in appreciation to all of you who
make business in Nyssa possible.

We'll see you Saturday.
