Dear Sir:

We, the members of Nyssa high football team, wish to extend our appreciation for the coverage of the football game between Nyssa and John Day. We want you to know that it is a lot easier for a football team to be a winning team if they know that the towns people are behind them.

We hope that you will continue to support our team for we believe we have a fine ball club this year.

Thank you again for your fine support and we hope you continue to do so.
