You're face to face with the B-58 BUICK

It looks and feels like flight on wheels

IT RUNS on gasoline and rolls on wheels. But beyond that, all similarity between this 1958 Buick and any other car you've ever known comes to a decisive end.

This B-58 Buick is literally born of aviation principles — starting with a greater use of aluminum than ever before, and going on from there.

With this stunning automobile you're in the forefront of styling's freshest advance.

With it you boss the B-12000 engine — command through a transmission that's the big talk of the automotive world — feel a

modern miracle in buoyancy of ride, plus the never-before wonders of Buick Air-Poise Suspension.*

With it you can drive with more magnificent advances in automobile design and engineering than history shows in any single year.

This B-58 Buick is ready now in look and line and lift and life to thrill you to a tingle. Go see — now on display at your Buick dealer's.

*Air-Poise Suspension optional at extra cost on all Series. Flight Pitch Dynaflo standard on LIMITED and Roadmaster 75, optional at extra cost on other Series. Aluminum Brakes standard on all Series except SPECIAL.

NEVER SO MUCH SO NEW

- ★ FRESH BOLD STYLING with the Dynastar Grille.
- ★ THE MIRACLE RIDE plus Buick Air-Poise Suspension.*
- ★ FLIGHT PITCH DYNAFLO* with the instant flexibility of a million switches of pitch.
- ★ B-12000 ENGINE with 12,000 pounds of thrust behind every piston's power stroke.
- ★ AIR-COOLED ALUMINUM BRAKES* with smoother, surer control and longer life.
- ★ "VELVET WALL" Sound Silencing.
- ★ All built to exacting quality standards

When better automobiles are built Buick will build them
