Meet the "Building Bug"

Best news of the New Year for Home Remodeling

There's a great day coming . . . the day the Building Bug bites you. For this friendly little fellow is better than a Spring tonic . . . more stimulating than a field full of daffodils. Without a doubt, he can turn your calendar three months ahead!

So open wide your doors and windows, let the Building Bug in. And when he bites you, head to Boise Payette for the antidote: Sparkling paints that promise an early Spring look in your home . . . stunning new rooms to thrill your family . . . modern hardware to bring your home quickly up-

to-date . . . a new kitchen that speaks of brighter meals and better housekeeping . . . a patio that looks ahead to cool summer evenings with family and friends.

All this is the promise of the Building Bug. Come in and see him everywhere at Boise Payette . . . he's the busiest and friendliest fellow in town. In fact, he may already be buzzing your home and you'll recognize him immediately. He has sparkling new ideas and suggestions and a wealth of building materials ready for your inspection. Come in today!

The "Building Bug" will help plan your remodeling

Get off to a flying start by asking us for ideas, suggestions and information. We'll point out ways and means of getting the job done quickly, efficiently and economically . . . show you exciting, labor-saving materials . . . and how to get the most out of your remodeling dollars.

The "Building Bug" will help you select a reliable contractor

The Building Bug is well acquainted with all the carpenters, contractors and other skilled craftsmen in town. With his help you can select a qualified, competent man in whom you can have complete confidence . . . a man who has pride in his profession and who derives satisfaction from a satisfied customer. And naturally, we too, will assure you of a completely satisfactory job.

The "Building Bug" will specify quality materials

Only the best is good enough for a customer of the Building Bug. And that includes specifying the right materials for the right job . . . right down the line.

The "Building Bug" has money too, on Bestway Budget terms

The Building Bug uses our own BESTWAY Budget Plan for home remodeling. Anything in the store . . . any size job . . . as little as \$30 as much as \$3500! No down payment required. Terms as low as \$5 mo.
