According to John Hart, president of the Jersey Cattle club, the program will consist of short talks by representatives of the different breed associations, several reports from members regarding special awards for this year and of course some entertainment numbers.

Refreshments will be ice cream and cake furnished by the Jersey Cattle club.

All 4-H and FFA members who have livestock projects are invited to attend. And of course parents and leaders of 4-H clubs are being invited as special guests.

This Junior Dairy day has developed into quite an annual event and is one of the youth activities of the Malheur Jersey Cattle club.

Guernsey Sale Slated

A special junior auction sale of registered Guernsey heifers will be held at the Malheur county fair grounds March 15.

Thirteen head of registered Guernsey calves and bred heifers have been consigned to the sale by outstanding Guernsey breeders of the Snake river valley. The sales committee, consisting of Gilbert Sproul, A. C. Bosch and Joe S. Payne, has checked all consignments carefully to insure top quality. The animals selected will be valuable to any 4-H or FFA member as a foundation for a future herd.

National 4-H Week Planned
