

Sen. Tony Yturri Tells of Hearing On Road Problems

State Sen. Anthony Yturri, secretary and member of the legislative Highway Interim committee, has announced that a hearing will be held in Ontario April 8 to hear discussion on several important items.

Ontario is one of 11 different cities included in the itinerary of the committee.

Among items to be discussed are acquisition of real property for highway and park purposes and control of access; highway and bridge construction, including problems pertaining to that area and utility relocation; motor vehicle taxation; state parks, route numbering and marking of access roads to by-passed communities and tourist service areas; farm plates and usage, licensing and operation of school buses.

Sen. Yturri said all interested persons are invited to be heard on any of the subjects. The committee will welcome written briefs on any subject being brought to its attention.

The group is a joint house and senate committee appointed by the speaker of the house and president of the senate, Yturri explained.

National Library Week Proclaimed Here March 16-22

National Library week, March 16-22 will be observed in Nyssa with a display of new books arranged in the window of the Idaho Power Co. office, Mrs. Desmond Jones, Nyssa City librarian announced.

Nyssa's Mayor, Clifford Main signed a proclamation this week designating National Library week in Nyssa, during these same dates being observed throughout the nation.

In part, the proclamation states that the attention of the country is being focused on the rewards of reading during a comprehensive educational campaign which will come to a climax during this special week. A united effort . . . to dramatize the role of libraries as an important resource of education and that . . . newspapers and magazines are essential for well-informed citizens.

It emphasizes that "most books are the observers, transmitters and disseminators of the world's wisdom and knowledge" and that "freedom to read is one of democracy's most cherished liberties."

In the proclamation Mayor Main calls upon the citizens of Nyssa to participate in this endeavor by helping to inform their neighbors and friends of the pleasures and rewards of reading, with the purpose of developing a "better-read, better-informed America."
