I want the car that has
EVERYTHING...
at the lowest price!

Here are but a few of
FORD'S many advantages
that save you
hundreds of dollars:

1. **LOWEST IN PRICE** of the low-priced three—with prices starting even lower than for most foreign cars.
2. **HIGHER TRADE-IN VALUE**—in many cases, even higher than for comparable models in the medium-priced field.
3. **ECONOMY OF OPERATION**—again this year in the '58 Mobilgas Economy Run, a FORD Mileage Maker Six turned in the most actual miles per gallon of the low-priced three.
4. **A HEAVY CAR** with the roominess and latest engineering advances usually found only in cars costing hundreds of dollars more.
