Picture yourself in petroleum

Can you be dressed in oil? Certainly . . . from head to foot you can wear products that start with petroleum — even to perfume.

Petrochemicals are being put to almost endless uses — from lipstick to nylons, from detergents to vitamins. They dress you, help with the housework, keep you warm, protect your food, contribute to your recreation.

Standard pioneered in petrochemicals. From our millions of dollars invested in research came the basic chemicals for the first household and industrial detergents and the raw material for a new, miracle wrinkle-resistant fabric, creating whole new industries. As a major producer of the world's petrochemicals, our investment is continuing to provide new and better products for the benefit of everyone.

Petrochemicals are part of your life . . . clothing, blankets, rugs, upholstery fabrics . . . shoes, hats . . . cleansers, polishes . . . cosmetics, drugs, germicides . . . paint, printing ink, floor coverings . . . plastics, adhesives, packaging and photo film . . . racquet strings, phonograph records, fishing lines . . . and many other useful products.
