Don't Ridicule Idaho Gambling Issue

A. M. Derr, one of Idaho's gubernatorial candidates
who was nominated on a legalized gambling platform,
was campaigning from Ontario last week, according to
a Boise newspaper.

Even though Malheur county lies adjacent to Idaho,
Mr. Derr surely knows that Oregon residents cannot vote
for or against him.

Is it possible that he is comparing Oregon with an-
other neighbor, Nevada? Last year 41,400,000 people
were in attendance at Oregon horse racing tracks and
pari-mutuel betting reached an all-time high of \$2,900,-
000,000.

How Come Department

Why does the employment service publicize the fact
there are 270 unemployed persons in the area and at the
same time spend taxpayers' money for appeals for work-
ers in the fruit harvest?
