

SOIL STEWARDSHIP WEEK

Nyssa Churches Set Observance Soil Stewardship

The Methodist and Christian churches of Nyssa will co-sponsor a special Sunday evening service May 10 at the Methodist church in observance of Soil Stewardship week and Rural Life Sunday. The service will begin at 8 o'clock.

The Rev. Earl Hastings and the Rev. Paul Ludlow will give special messages and the film "Return to Eden," made especially for this program, will be introduced and shown by Harry Wakefield of the Nyssa soil conservation office.

Soil Stewardship week for 1959 is May 3 to 10, inclusive. During this week soil conservation districts and churches throughout the United States will observe the fact that "the earth is the Lord's and the fullness thereof" but responsibility for its stewardship is a sacred trust vested in man. Many other farmer, civic and professional organizations, schools, businessmen's organizations and other community-minded groups will join in the observance.
