

Mary Joan Russell, Gordon G. Athey Wed in Little Chapel of the Flowers

MR. and MRS. GORDON G. ATHEY, Jr.

At a 6 o'clock evening ceremony on June 28th, at The Little Chapel of the Flowers in Berkeley, Calif., Mary Joan Russell, daughter of Mr. and Mrs. William Russell of Rte. 2, Nyssa, became the bride of Gordon G. Athey, Jr.

The Rev. Andrews of the Methodist church officiated at the double ring ceremony in front of a large bouquet of yellow gladioli and lighted tapers in unique bronze candleabra. Joseph Denton was soloist.

The bride, given in marriage by her father, wore a floor length gown of tissue taffeta, with scalloped lace yoke at the neckline, and long tapered sleeves. The bodice was accented with soft folds and the bouffant skirt was enhanced with insertions of lace medallions.

Her fingertip veil of imported silk illusion was complemented with a pleated taffeta half hat trimmed with pearls, and she carried a cascade bouquet of stephanotis and white orchids.

Mrs. Grace Rye of La Grande, Ore., was matron of honor and Mrs. Ann Lewis, daughter of Mr. and Mrs. Paul House of Nyssa, also attended the bride. They were attired in gowns of Nile green, princess style, crystal taffeta, with empire waistline and chiffon back drape in soft folds at rounded neckline. They wore small green hats and carried nosegays of white carnations and yellow rose buds.

Miss Susan Watson of Montebello, Calif., was flower girl wearing a white nylon organdy over green taffeta and carried a white basket of yellow rose buds.

The groom was attended by Bill Russell of Nyssa, the bride's brother, and by Chris Anderson of San Pablo, Calif., while ushers were William Pritchard of Concord, Calif., and W. D. Russell of Martinez, Calif.

For her daughter's wedding, Mrs. Russell wore a rose colored lace dress over satin with rose accessories. Mrs. Charles Kirsch of Richmond, Calif., chose for her brother's wedding, a champagne colored linen sheath, with large white collar and white accessories. Both wore white orchid corsages.

Following the ceremony, a reception was held in the Horizon room of the Hotel Claremont in Berkeley, Calif., with catering services by the hotel staff. The reception room, overlooking the bay, was decorated with baskets of white gladioli and lighted white tapers. Mrs. Billie Pritchard of Concord, Calif., Hazel Harris also of Concord, and Mrs. Kitty Anderson of San Pablo, Calif., were in charge of placing the gifts and Roberta Miller of Concord presided at the guest book.

For their week's wedding trip to the Russian River in northern California, the bride chose a champagne sheath with jacket and wore white accessories and a white orchid corsage.

The new Mrs. Athey is a graduate of Nyssa high school and attended E.O.C. where she was a member of Sigma Alpha Chi and Phi Beta Sigma sororities. She taught in the Mt. Diablo elementary schools. Mr. Athey attended the Kansas City, Mo., schools and is presently employed as plant operator with Standard Oil Company in Richmond, Calif.

The young couple will make their home at 5511 Pennsylvania Blvd., in Concord, Calif.

Snake Gem Club Annual Picnic Sun.

The Snake River Gem club had its annual August meeting with a picnic on the lawn at the Gail Johnson home in Weiser. The affair was held at 7 p.m. Aug. 16.

About 50 members and guests were present to partake of the pot luck meal. After the meal, the regular business meeting was conducted by the president, Oscar Elliott of Payette. Most of the business was plans for the club rock show to be held at the Washington hotel at Weiser Nov. 6 and 7. As soon as it became dark enough, Mr. and Mrs. James McClure of Nampa showed lovely rock and wood transparencies used like slides, with a projector and a screen as with color slides—something new and novel and very lovely and interesting to rock hounds, especially.

Mrs. McClure was elected delegate to the Northwest Federation of Mineralogical societies and the American Federation, which is to be held this year at Portland over Labor day weekend, Sept. 5, 6 and 7, at the public auditorium. The Oregon Agate and Mineral society will be host. This is a national show and Mrs. Frank Zimmerman of Payette will give several lectures on micromounts, of which she has an outstanding collection and also color slides.

From where I sit . . . by Joe Marsh

A Real "Novel" Idea

Had a call from Whitey Fisher, head of the Town Library's Emergency Committee. He's asked me to explain the situation.

This is the "emergency." The Library's moving into its new building next week—over on Bridge Street. Moving all those books will cost more than \$200. At that rate we won't be able to afford any new books for a couple of years.

Whitey's got the solution—have everyone in town borrow at least five books, keep them

a week, and return them to the new address!

From where I sit, cooperation among neighbors is the lifeblood of a town. People should work together . . . whether it's to help a library or fight intolerance. For instance, if you'll respect my right to an occasional glass of beer—and I respect the beverage of your choice . . . that kind of cooperation will do lots to help wipe intolerance "off the books."
