**Purina Chows and
Concentrates are
LABORATORY DESIGNED
... FARM TESTED**

to help you feed more profitably

Whether your feeding needs call for complete Purina Chows or Purina Concentrates to make your grain pay, Purina Research helps you make more profit.

In the development of modern rations, the scientist in his laboratory has become nearly indispensable. And, even after the most precise scientific development, there is no substitute for testing... on real animals under actual farm conditions.

Purina provides modern laboratories and the latest scientific equipment for the highly-trained nutritionists who design efficient Purina Chows and Concentrates. Then Purina tests both Chows and Check-R-Mix rations made from Purina Concentrates, feeding typical birds and animals on

Purina's farm... to make sure they'll get results on your farm.

Come in and let us help you solve your feeding problems the Purina Way. We can provide Purina Chows specifically designed for the birds or animals you have to feed... or help you build efficient, research-backed Check-R-Mix rations from Purina Concentrates and your grain.

BRING IN YOUR GRAIN

Our Purina-approved Check-R-Mix equipment is designed to handle your grinding and mixing needs speedily and well. Ask us about the many grain handling services we can perform.
