

Adrian Students Of First Grade Take Train Trip

By Mrs. Gerald Mackey
ADRIAN—The first grade students of Adrian took their annual train ride to Boise, Friday. The group took the bus to Nyssa and boarded the train there. Room mothers accompanying them were the Meses. Fred Brownfield, Jr. Matthews, Lloyd Parrill, and Orton Winn. Teachers who went with the group are Mrs. Leon Chamberlain and Mrs. Bob Maggart. The group returned home by bus, driven by Jr. Matthews. While in Boise, they visited the museum and zoo. For many it was their first ride on the train.

HAPPY HEALTH CLUB GROUP LEARNS OF EYE CARE

The sixth meeting of the Happy Health club was held April 21 at 11 o'clock in Mrs. Lane's room.

The meeting was called to order by Bradley Maxfield, president. The flag salute and 4-H pledge were given, after which the song leaders led in the singing of two songs. The secretary read minutes of the last meeting and called the roll.

The project this week was on the eyes and each group made a report on them.

GEIGY INSECTICIDES

This Farmer Used 50 lbs. of 'N'
Harvested 17 tons of Silage Corn per Acre

Farmers who use recommended amounts of fertilizer harvest the best crops, with the highest yield — and they get the most dollars per acre.

That's why proper fertilization with USS Nitrogen Fertilizers is essential.

Ask successful farmers, such as Dale Blaisdell and his brothers. These Malad, Idaho, farmers used 135 pounds of nitrogen per acre on corn and harvested up to 30 tons of silage an acre. They also use USS Nitrogen on wheat and barley with excellent results.

"On our corn, we ran out of fertilizer at the end of the field. Where there was no fertilizer, the corn was poor, our yields low. With nitrogen, the corn was a foot-and-a-half taller, greener and far better quality. We believe in using proper amounts of both nitrogen and phosphate on crops."

Use enough fertilizer; harvest more profits. Order USS Nitrogen Fertilizer from your dealer today. For information, write United States Steel, 919 Kearns Building, Salt Lake City, Utah.
