

Elder S. Dilworth Young from the first Council of Seventy at Salt Lake City gave the initial address when 334 seminary students and leaders met at a youth conference at the Nyssa LDS stake house on May 21. The program was followed by a testimonial banquet and dance. Arvel L. Child, president of the Nyssa stake was host to the group.

Elder Leon R. Hartshorn, LDS institute director at Boise Junior college was in charge of the conference. Seth D. Redford, coordinator of the Boise-Caldwell seminary district conducted the meeting. Students and leaders from the Boise, Nampa, Nyssa, Union, Weiser and West Boise stakes were in attendance. This is the third annual youth conference to

be held in the district.

Others who assisted with arrangements were, J. Blaine Holladay, coordinator of the Ontario area; C. Ray Peterson, coordinator of the Boise area and Norman D. Baxter, coordinator of the Nampa area. Stake boards of education and bishoprics were present to hear the testimonies of the youth.

DANCE RECITAL POSTPONED

Service Academy Entrance Tests Scheduled July 11

Senator Wayne Morse announced this week that preliminary civil service examinations will be given in Oregon Monday, July 11, to young men interested in nomination to a service academy.

Unmarried men in good physical condition who will have reached their 17th but not their 22nd birthday by July, 1961, are eligible to participate in the examination, the Oregon senator explained.

The tests are the first step toward possible appointment to the Military academy at West Point, N.Y., Naval academy at Annapolis, Md., Air Force academy at Colorado Springs, Colo., or the Merchant Marine academy at Kings Point, N.Y.

"Because I am allowed to make only a very limited number of academy appointments each year, I base my decision solely upon the results of impartially conducted, competitive examinations," Morse declared.

The senator urged that young men interested in participating in the July 11 examination write to him immediately to obtain full information and learn the exact locations at which the tests will be administered. His address is 417 Senate Office Building, Washington 25, D.C.

Morse emphasized that deadline for receipt of inquiries by his office is June 15.

Group Makes Tour Of Bruneau Country

The Messrs. and Mmes. Vic Marshall, L. L. Kreager and Lee Strickland made a Sunday tour of the Bruneau country, south of Mountain Home. The group picnicked at Strike dam, toured the Bruneau canyon, visited Hot Springs falls where they saw the Indian bathtub where the water is claimed to be 99 percent pure. They also visited a natural cave where residents of the area hid from Indians in days gone by.

Strickland, a former resident of that area, says he hid there many times as a child. Of interest to all in the party was a visit to the winter ranch of Kitty Wilkins, Idaho horse queen of the early days. Strickland was her buckaroo boss at one time. The ranch is located on the east fork of the Bruneau river.
