The Rev. Richard Mastbrook performed the double ring ceremony in the presence of 125 invited guests. The sanctuary was decorated with baskets of pink and cream gladioli.

The Misses Patricia Collins, sister of the bride, and Beverly McGrath, aunt of the bride, were bridesmaids. They wore mint green gowns styled identical to the one worn by the maid of honor and carried nosegays of pink carnations.

Flower girl was Miss Debra Fleming of Vale.

Mrs. Collins chose for her daughter's wedding a beige suit with beige accessories and her corsage was red tea roses centered with cream gladioli. Mrs. E. J. Frasier of Idaho City, "stand in" mother for the groom, wore a salmon pink suit with white accessories and her corsage was orange roses centered with cream gladioli.

A reception was held in the church basement for the couple following the ceremony. The four tier wedding cake was topped with miniature bride and groom.

Assisting with the reception were the Meses. Elsa Pierce, Kenneth Hunter, Macum Smith, Raymond Arnold and Delos Vinsonhaler. Miss Barbara Martin registered the guests and the Misses Judy Martin, Merlene Carver, LaVonna Elibee, Lois Goodin and Mrs. Lee Roy Ames accepted and placed the gifts.

In line with the company's preventive maintenance program, all machinery has been repainted and had worn parts replaced in order to be in top running condition for the coming season. To illustrate the size of the maintenance task, Masterson pointed out there are over 800 electric motors alone that have to be checked.

The interior of the processing area has been completely repainted. Both employee lunch rooms have been redecorated. The present employee parking lot has been resurfaced and additional parking is being added south of the present scale house.

A new automatic electric truck weighing scale has been added. This scale will automatically record the weight, date and time of day of each weighing. It is expected to handle one load every two minutes, 24 hours per day. To
