Burbank Attends Farm Equipment Showing at Dallas

Les Burbank, manager of B & M Equipment company's Nyssa store, will have an opportunity late this month to see firsthand just how many independent businessmen a major farm implement manufacturer needs to sell and service its products throughout the United States and Canada.

Along with some 4500 other businessmen who are John Deere dealers in the United States and Canada, he will fly to Dallas, Texas, Aug. 29 for the biggest sales meeting of its type ever held.

Sixteen United States and Canadian airlines will cooperate in airlifting the 4500 dealers and 1500 other persons to Dallas within a 24-hour period. It will be the first time any manufacturer will utilize as many airplanes, reserve as many accommodations, and arrange for as many meals for a single group at one time.

The meeting has been called to show dealers the new line of John Deere tractors and equipment. Announcement was made this week that the new tractors will be put on the market in late September.

To accommodate the huge crowd, the Dallas Memorial auditorium, the Texas state fairgrounds and Cotton bowl will be utilized for various parts of the one-day sales meeting.

At the fairgrounds the largest display of any one power equipment manufacturer's products ever to be exhibited at one place will be staged. More than 230 tractors and 270 pieces of equipment will be used in the display.
