From where I sit ... by Joe Marsh

Speak Up, Doc

Doc Turner was up playing cribbage with Smiley Roberts the other day when, long about supertime, Mrs. Roberts invited him to stay and have a bite with them.

Now, Doc had sniffed a cherry pie coming out of the oven and his mouth was watering. But what did he say? "No, thanks," says Doc. "Some other time, then," says Mrs. Roberts, and back she goes into her kitchen.

Well, next day Smiley ran into Doc on the street. Smiley said, "You missed some good cherry pie last night, Doc."

"Don't I know it," says Doc. "I sure wanted to stay but your missus only asked me once!"

From where I sit, Mrs. Roberts has the right idea about persuading people. Give folks credit for knowing their own minds. For instance, I never coax anyone to join me in a glass of beer. And if they don't try to talk me into drinking their favorite beverage, we'll get along fine. You can't persuade folks to be good neighbors, but you can "invite" them.
