Meaning of Yule

Christmas is many things. It is the look in a child's eyes, the light of the stars shining on a peaceful street, voices raised in happy song, the smell of freshly cut spruce and cedar, but most of all it is the birthday of Christ.

It is not to be celebrated as one does other days, but with warm sincere thoughts of people we love. For in every heart, as this time nears each year, life seems to take on a new meaning. To give, to share, to belong and to be together seems to be one of many wonders of this life that is cherished by every one of us.

Christmas is the shining light of pride handed down from generation to generation. Christmas is love, for without love you cannot have Christmas.
