AT LAST! SCIENCE NOW GIVES YOU CLEAR HEARING AGAIN WITH NOTHING IN EITHER EAR!

The new electronic "break-through" has aroused enthusiasm among business men who don't want to wear a hearing aid, but want to hear clearly in conferences, meetings, at the theater, etc.

It's no longer necessary to advertise your deafness by cupping a hand behind your ear, asking people to repeat, or wearing an old-fashioned "hearing-aid." It's no longer necessary to miss the theater because you can't sit in the first few rows.

The exclusive, patented new Listener will let you hear clearly without having a seat in the front row. It's always ready. Put it on or take it off as easily as a pair of glasses.
