TURN ON THE LIGHTS

As summer turns to fall and winter, families move from the patio to the living room. Darker nights bring more reading, sewing, study and hobby work. Fall is the time to think about your family's eyes. Be sure you have plenty of light in your home. Check your lamps and fixtures. Add extra light where needed. Fill all empty sockets. Stock up on light bulbs.

NEW FROM DIESEL TO DAZZLE!

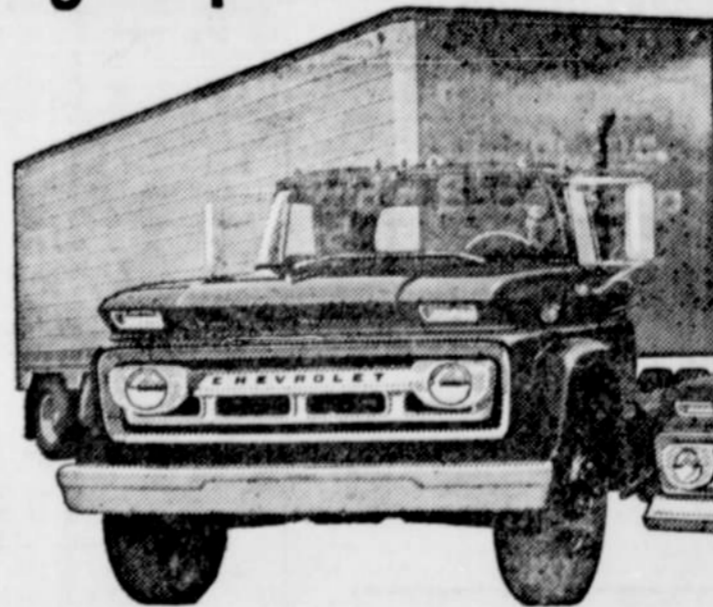

'62 CHEVROLET JOBMASTER TRUCKS!

WITH NEW High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16½ per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rarin'-to-work, ready-to-save engines.

Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10½ feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models. You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair '65's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost
