MY QUALIFICATIONS . . . 40 Years in Malheur County Engaged as Farm-Ranch Owner and Operator.

Served Vale Irrigation District as director 20 years. School board director and actively participated in Civic and Cultural progress of Malheur County.

Past two years member of Malheur County Court which has worked in harmony with all of the people of the county as proven by the following:

- Worked with and secured cooperation of Road District Directors, Farmers and Stockmen in a realistic Road Program which has improved, maintained and oiled more miles of roads in a shorter time than any previous county court.

- Established a record and accounting system in County Road Department. Secured and built up needed road equipment from government surplus, resulting in a saving of thousands of dollars to taxpayers of our county.

- Taken an active interest in the welfare program to correct abuses and plan Welfare Work Programs beneficial to Malheur County.

- Opposed write off of delinquent taxes as done by previous courts and encouraged and supported Sheriff and Tax Collection Departments in their efforts to collect \$115,000.00 of delinquent personal taxes which will be used as an offset against budget needs.

- Presently member of Public Lands Committee of Oregon Counties working to gain payments of monies on the 700,000 acres of state and federal lands in Malheur County in lieu of taxes.
