Mrs. Holtzen Says—

"Reddy really helps a school teacher"

"As a school teacher with a home to care for, I find my work easier since we moved into our Gold Medallion home. Formerly I had to spend Saturdays catching up on cleaning, laundering and cooking. Now that we have clean electric heat, automatic washing and drying, and a Live Better Electrically kitchen, there's more time to plan my work ahead and to enjoy family activities. Reddy really helps this school teacher!"
