

SIGNAL STATION

I'm not one of the Smith Bros., but when your car has a cough I'm here with Signal Gasoline.

The water we add to our gas is pure carbonated and will not rust in your tank!

INVITE US TO YOUR NEXT BLOW-OUT . . . We have given many a flat tire the air!

Congressmen wouldn't have so many political fences to mend when they go back home if they hadn't done so much straddling. —R. A. Brenner.

Not Even Time and a Half!
A minister is one person who sometimes gets a penny for his thoughts.

We're in favor of the government balancing its budget, but we don't exactly approve of its being done while unbalancing ours.

Pinching Remedy
To forget all your many other troubles, try wearing a pair of shoes that are a size too small.

All Wet!
They say it never rains on a golf course, but that doesn't prevent some players from getting soaked.—Frank O'Brien.

Customer: I don't like this photograph of me. It doesn't do me justice.

Ron Schoen: It's mercy you want, not justice!

It's much better to sit tight than to try to drive that way.
