

'Jitters' Help Vikings Sink Bulldogs By 53-26 Score in Saturday Hoop Tilt

By FRANK PARR

It started out a pretty even game Saturday evening between Nyssa and Vale on the latter's basketball court. Both teams were missing setups with a regularity that surprised followers of the game. After four minutes the score stood at 1-1. Even at the end of the first quarter with the score 11-1, the Bulldogs could have still been in the game if they could

Bulldog Wrestlers Defeat Adrianites, Lose to Caldwell

By FRANK PARR

The Nyssa "grunt and groan" team took on two opponents during the last week. They won a match with Adrian and lost one to Caldwell.

Coach Mel Calhoun gave this explanation when questioned about wrestling the larger schools of the Treasure Valley: "The only schools in our own class around here that we can schedule matches with are Vale and Ontario. If we want to wrestle, we have to take on the larger schools. Weiser and Payette have teams but they are mostly competing in the B league."

Results of the 32-12 win over Adrian were as follows:

In the 98-pound class, Ralph Carter (N) decided Barton (A); 106, N. Cleaver (N) drew with Price; 115, Robert Madrid (N) lost by a pin to Ward; 123, D. Reece (N) pinned Cartwright; 130, J. Grijalva (N) decided Kiyoo Hori; 136, G. Jones (N) decided Kots Hori.

141, P. Dority (N) pinned G. Ward; 148, O. Anderson (N) won by forfeit; 157, C. Anderson (N) decided Seared; 168, N. Morinaka (N) decided Detweiler; 178, P. Moss (N) lost by a pin to Adkins.

The win was impressive since all matches, excluding those ending in pins were close. The greatest winning margin, relating to decisions, was four points.

Caldwell Wins 30-19

The Caldwell meet staged Jan. 24 in the Nyssa gym was won by Caldwell 30-19. The visitors took six decisions to three for Nyssa and got three falls to Nyssa's two falls. Team results:

In the 98-pound class, Ralph Carter (N) was decided by Morton of Caldwell; 106, Newell Cleaver (N), decided by Barry; 115, Steven Jensen (N), pinned by Hooban; 123, Dan Reece (N), decided by DuBose; 130, Joe Grijalva (N), pinned by Reasor; 136, Gene Jones (N), decided Dietrick.

141, Noble Morinaka (N), decided Fontaine; 148, Charles Anderson (N) pinned Wood; 157, Phil Duff (N), decided by Downen; 168, Robert Glenn (N), pinned by Baranco; 178, Charles Corak (N) decided Britton; 191, Gary Mason (N), decided by Alcorn; heavyweight, D. L. Fife (N) pinned Bramhall.

Payette meets the Bulldog grapplers next Friday night in the Nyssa gym.

Bulldog Campaign Only Local Activity For March of Dimes

(Continued from Page 1)

polio, birth defects and crippling arthritis.

We seem to have forgotten that we were close to the destruction that polio makes when it tramples through a community, leaving behind twisted and paralyzed limbs, death and broken hearts. Nyssa survived its recent (it's only been seven years) epidemic of this dread disease only through the aid of the March of Dimes.

Research Needs to Continue

The money that you might have given helps to pay for the extensive research into which chemists, doctors and other medical workers go to find preventatives and cures for polio and the other diseases represented by the March of Dimes fund. It gives treatment to victims of low as well as high financial standing.

Without this money all heretofore work would not have been. Without many generous contributions polio would still be as active as it was 25 years ago.

You have each benefited from the Oregon March of Dimes. You owe them more than just your thanks. Won't you reach deep into pocket and purse and give of your dimes as well as your time and effort? Surely you can't sit back, relax and allow the teenagers to support the campaign alone. The teenagers, whom you often criticize as rattle-brainers and delinquents, are the sole supporters of a worthwhile public promotion.

It's not too late—if you'd like to be a part of the march toward removal of disease, phone Vicki Maxfield (372-3598—high school) and make arrangements for your donation and your part in the "Fight for Survival."

Nyssa Junior High Boys Down Adrian In Two Encounters

By FRANK PARR

Coach Jim Skeen's Flyers had plenty of trouble last Friday afternoon disposing of the junior high squads from Adrian. They led all the way in the eighth grade encounter, coming out on top 29-26.

The Flyers had an advantage in height which showed up well in getting the ball off the backboards. Charles Parra, Steve Petrie and Dick Finger, the tall boys of the team, also garnered a few points. Maxfield, Zobell, House, Estrada, Smit and Moore all contributed to the scoring effort and were effective in ball control.

The Adrian team showed plenty of class and will be a tough nut to crack when Nyssa meets them for a return engagement on the Adrian court.

The seventh grade engagement was won by the Nyssa squad by a score of 27-15. Frank Rambaud was the leading scorer for the game with 12 points to his credit. Scott Jefferies followed with 9 counters. Frank Willson had 4 and Russell Myrick, 2.

Junior Varsity Players Used

Coach Chick Quinowski, who had been trying all sorts of combinations with his first string, began sending in the junior varsity players. Needless to say, this was a good move because Nyssa picked up nine points in the final stanza to Vale's 17.

There is no explanation of what caused a whole squad to get into a mental freeze that so completely tied up their coordination for this particular game. It was so bad that at one time one of the best free throw artists on the squad almost missed the backboard on a charity toss.

Statistically there isn't much to report. Jerry Willson, who usually gets around 15 points per game made four counters while Brent Schulthies scored only six.

To Play Vale Again

As was said last week after the victory over Vale, one game does not make a successful season. By the same token one bad game does not make the season a failure. The true caliber of the boys who wear the Blue and White will be shown in the way they react to the loss. Without doubt they are much more disappointed in their showing than were their supporters. If they come back with the determination to vindicate themselves for this game, we'll be proud of them. The season isn't over and they still have another crack at the Vikings.

The junior varsity game provided another easy victory for the Vale team. The fourth quarter opened with Vale out front by a score of 51-24. Coach Jack Bowen replaced his regulars with a different five. They played for four minutes, picking up seven points to Vale's two; another team was sent in. They couldn't score but got some valuable experience.

With a minute and a half to go, another squad was sent in. Bowen was getting pretty close to the bottom of the barrel, but it gave the spectators a good idea of the depth of the Nyssa reserves. The game ended with Vale out front by a score of 55-31.

Meridian Averages Earlier Defeat 56-36

By FRANK PARR

Friday night in the Meridian gym the Nyssa Bulldogs proved no match for the rampaging Warriors. Meridian spurred to a commanding lead in the first half with the score reading 33-10.

In the second quarter the Nyssa team scored two points, picked up 16 counters in the third quarter and 10 in the last stanza to emerge on the low end of a 56-36 tally.

Scoring for Nyssa was fairly even with Brent Schulthies leading the pack with 10 points, followed by Skeen with six.

The junior varsity players also lost their game by a score of 49-27.
